

North County Inland Merchandising Committee Guidelines

To be an active member of merchandise you must first attend 2 consecutive meetings of the committee. This means that you may not take merchandise or handle any cash until you have attended these 2 meetings.

Before any merchandise is released to any committee member a release of liability form must be signed and turned in. This states that each member is personally financially responsible for any and all merchandise received.

Our committee meets every first Sunday of the month at 5:00 at the church on Rose & Mission in Escondido.

Clean time requirements to sell merchandise, carry merchandise, and handle money are 1 year minimum. There is no clean time requirement to be on the committee for service and voting privileges. Any member of Narcotics Anonymous may attend our committee meetings at any time.

Committee member leaders serve as Chair, Vice Chair, and Secretary. The Chair will act as treasurer. Clean time requirements for Chair and Vice Chair positions are 2 years. Secretary clean time requirement is 1 year.

All decisions about shirts and merchandise will be made in committee. This includes designs for merchandise.

Anything over our prudent reserve and working capital will be donated to the area.

Our prudent reserve is \$1500.00

Our working capital is \$1000.00

Total \$2500.00

North County Inland Merchandise Committee can donate to the area when we exceed over and above our \$1500.00 prudent reserve. Anything above our operating capital of \$1000.00 plus our prudent reserve of \$1500.00 equaling \$2500.00 is a mandatory donation to the area.

Revised October 2010
